It's DTTV  
I got no beer in me  
I start to D.T.  
This show is so cheesy  
I'm feelin so bad  
This program's makin me mad  
I wish that I had  
A beer - that would make me glad  
It's DTTV here at noon  
I'm gonna hurl if I don't get beer soon  
It's DTTV here at noon  
I really hope that Lisa finds true love soon  
I'm D.T.in on alcohol  
But I can't leave my TV set at all - I'll go into withdrawal

This is my favorite soap  
I'll tell ya the general scope:  
Johny's got a drinkin problem  
Doesn't know just how to solve em  
But all he need to do  
Is make a beer run or two  
I guess it ain't that eaasy  
I guess I'll sit and DT  
It's Detox TV here at noon  
I'm gonna hurl if I don't get beer soon  
It's DTTVhere at noon  
I'm shakin worse than an epileptic in a monsoon
