I  
I wanta rise  
Fire  
You burn the light  
What  
Did you ever give me  
Nothing  
Now I can't see

You wanta rise  
I wanta fall  
You are the kiss of a star  
But I'm digging my hole

You wanta feel  
Every smile  
You really will  
But in a little while

9 9 9  
9 9 9  
9 9 9  
9 9 9

I  
I want a sign  
I  
I wanta find

You wanta rise  
And I wanta fall  
You are the kiss of a star  
But I'm digging my hole

You wanta feel  
Every smile  
You really will  
But in a little while

I want a fever  
I want a sign

What's inside of your mind  
Your reasons why

Give me a sign  
I wanta see  
What's in your hive  
My sweetest bee

I want a sign  
I wanta find  
You want a rise  
I wanta find

You wanta find  
You really see  
You really need  
I wanta rise

I want a fever  
I want a sign  
What's inside of your mind  
Your reasons why

Give me a sign  
I wanta see  
What's in your hive  
My sweetest bee

You wanta rise  
I wanta fall  
You wanta rise  
I wanta fall

9 9 9  
9 9 9  
9 9 9  
9 9 9

9 9 9  
9 9 9  
9 9 9  
9 9 9

9 9 9  
9 9 9
