(Dead Or Alive cover)

Yeah I, I get to know your name  
Well I, could trace your private number, baby  
All I know is that to me, you look like you're lots of fun  
Open up your lovin' arms, I want some, want some  
I've set my sights on you and I, I've got to have my way  
now, baby  
All I know is that to me, you look like you're havin' fun  
Open up your lovin' arms, watch out, here I come

You spin me right round, baby, right round  
Like a record, baby, right round, round, round  
You spin me right round, baby, right round  
Like a record, baby, right round, round, round

I, I got to be your friend now, baby  
And I would like to move in a little bit closer  
All I know is that to me, you look like you're lots of fun  
Open up your lovin' arms, watch out, here I come

You spin me right round, baby, right round  
Like a record, baby, right round, round, round  
You spin me right round, baby, right round  
Like a record, baby, right round, round, round

I want your love oh oh oh, I want your love oh oh oh  
All I know is that to me, you look like you're lots of fun  
Open up your lovin' arms, watch out, here I come

You spin me right round, baby, right round  
Like a record, baby, right round, round, round  
You spin me right round, baby, right round  
Like a record, baby, right round, round, round  
You spin me right round, baby, right round  
Like a record, baby, right round, round, round  
You spin me right round, baby, right round  
Like a record, baby, right round, round, round

Watch out, here I come.
