(Beatboxing/V. Block)

Living every moment as if it could be the last  
When we're here together, I don't wanna let time pass  
Oh, am I telling you too much  
Am I movin' way too fast

Falling and falling  
So helplessly  
I need you baby  
To rescue me (forever baby, to rescue me)  
Deeper and deeper  
Into the sea  
I need you baby  
To rescue me (forever baby, to rescue me)

Never knew such freedom, still I feel afraid to move, ah  
I don't wanna lose you, 'cause there's just too much to  
lose  
So when you're telling me it's love  
Are you telling me the truth, woh woh woh

Falling and falling, baby  
So helplessly  
I need you baby  
To rescue me (forever baby) hmm yeah (to rescue me)  
Over and over  
I've had this dream  
Come to me baby  
And rescue me (forever baby, to rescue me)

Don't let this feeling end  
I can't pretend to take it easy  
This love is so strong  
It's gonna last forever

Falling and falling, my baby  
So helplessly  
I need you baby  
To rescue me (forever baby) oh yeah (to rescue me)  
Over and over, baby now  
I've had this dream (forever baby to rescue me)

Come to me baby (every day and every night)  
And rescue me (forever baby) alright (to rescue me)  
baby

(Every day and every night  
forever baby, to rescue me  
Every day and every night...)
