Execution,
They choose us as a game for them.
Every simple move we do,
They think it's against the law too...
The interpretation - They want to make us criminals,
Fuck Them!
We don't think it's funny,
We won't give them a chance.

Damnation,
Now they have the domination...
Domination,
Now they've got it all!

Lets spin the bottle again,
And see who's guilty...
Let's flip a coin and see,
Who need to be executed...
Let's get them all arranged,
And put them all in chains! Yeah!

Damnation,
Now they have the domination.
But there's a caution,

We're gonna return the condition...
I see them watching us,
Trying to get themselves unbored...
I see them coming,
In a crazy chase for us.

Go you better run from me just go!
Fuck The Law!
Fuck The Law!
In a chase that's full of blood...

Go I'm getting ready to the war,
Watch yourself! Fuck The Law!
In a chase that's full of blood...

Lets spin the bottle again,
And see who's guilty...

Let's flip a coin and see,
Who need to be executed...
Let's get them all arranged,
And put them all in chains! Yeah!
