this is nothing that you've ever felt before the stage is  
for you the chance swarms you who wants it like it was  
before who wants it like Traffic like Zeppelin next to  
Sheila she's a giant towering in blue jeans and your  
heart is pounding who wants it like it was before 1974  
hey sweet lady hey sweet lady where's your tricks  
tonight yeah sweet lady yeah sweet lady am i it tonight  
this is sorrow this is acrobats her meaning less  
surrounds her the magnitude has found her who are  
you trying to get back your living in '84 such a bore  
let's burn it to the floor... at the bus stop neon tube  
socks forgot to wear a top now i'm lost and found
