the stars and the highway it's perfect everyone's
getting all their lines right tonight it's an ongoing affair
it's no one cares it's like a piano or a suitcase or jet lag
or a fountain of love everybody wants to be like movies
no you're right i don't know what i'm doing the sound is
searching you it's finding the smallest part of your
mass it's taking you over it's like Ally Sheedy says she's
the protagonist in your head like an anthem or a bad
P.A. system or arugula or kiss me now
