some say she comes from under the ocean i think she
wasn't born at all congratulations are in order for those
who've tamed her wildest heart come down make sure
everyone can see does anybody want the same as me i
mean wanting me it hurts it's torture just joking i can't
feel the girls are having fun tonight exciting will you
help me through this i'll trade you boredom for your
kiss come down make sure everyone will know does
anybody look as good as you i don't think so i'm gonna
miss you i don't want to say it but i have to so goodbye
didn't want to but you made me didn't want you just go
away
