ai ai ai ai
mi aire mi alma

why do I need you when you tear me apart

suavemente besa besa me
caliente I can't make you stay
time is short I know you'll soon be gone
make pretend it's love 'till break of dawn

smooth is the island breeze
dark is the night
lai lai lai lai lai lai lai
hearts break between the sheets
love needs no light
lai lai lai lai lai lai lai

ai ai ai
mi aire mi alma
oh please come back maÃ±ana
why do I love you when you break my heart
mi aire mi alma
oh please come back maÃ±ana
why do I need you when you tear me apart

suavemente toca toca me
morning comes and you'll be on your way
do me gently now we've still got time
take me slowly like if you were mine

smooth is the island breeze
