Yeah, yes I've been hurt by love
(Tell it to me)

If you've been hurt by love
(Tell it to me)

Yes you've been hurt by love
If you've been hurt by love

(Yeah, I've been hurt by love)
(And I wish everyone I loved)
(Lemme hear ya say yeah)
(Say yeah yeah)

(Awww, in the night)
(In the midnight hour)
(Comin' on)
(Come to me)
(Well my baby left me)
(And what did I do)
(What did I do wrong)
(Now I found out about love)
(There's nothing as strong as love)
(Let me tell you about it)

That girl's been hurt by love
This girl's been hurt by love
(Say it to me)
That girl's been hurt by love
(Oh, how it hurts)
That girl's been hurt by love
(My heart's in pain)
That girl's been hurt by love
(Yes I've been hurt by love)
(And I know there's nothing as strong as it)
Yeah, yeah
(Say yeah yeah)

(I know about love)
(Who has a?)
(He talked, he had a heart so strong)
(He didn't ever, didn't ever ever?)
(Now he's found out about love)
(Tell everyone he loves)

(And he says yeah)

That fella's been hurt by love
(Say it to me)
That fella's been hurt by love
(Oh, how it hurts)
That fella's been hurt by love
(His heart's in pain)
That fella's been hurt by love
(Yeah, he's been hurt by love)
('Cause I was the one he loved)
(Lemme hear ya say yeah)
Yeah yeah
(Say yeah yeah)
Yeah

(Ahhh, come on, come on now, everybody)
(And I want you, you, you to tell me the truth)
(God only knows how love has ever walked out on you)
(Yeah, you've been hurt by love)
(Now tell everyone you love)
(Now come on?)
I'll tell everyone I love
(Say it now)
I wish I had the one I love
(? Hurt)
(Be in pain)
I wish I had the one I love

(Yes I've been hurt by love)
(Don't you wish everyone you love)
(Let me hear you say yeah)
Yeah yeah
(Say yeah yeah)
Yeah, I wish I had the one I love
(Don't you wish you had the one you love)
(Don't you wish you had the one you love)
I've been hurt by love
(Don't you wish you had the one you love)
I wish I had the one I love
(Now come on children)
(Don't you wish you had the one you love)
I wish I had the one I love
