Verse 1

I'm writing you to
Catch you up on places I've been
And you held this letter
Probably got excited, but there's nothing else inside it

Lift

Didn't have a camera by my side this time
Hoping I would see the world through both my eyes
Maybe I will tell you all about it when I'm
In the mood to lose my way with words

Verse 2

Today skies are painted
Colors of a cowboys cliché
And strange how clouds
That look like mountains in the sky are next to
mountains anyway

Lift

Didn't have a camera by my side this time
Hoping I would see the world through both my eyes
Maybe I will tell you all about it when I'm in the mood to
lose my way
But let me say

Chorus

You should have seen that sunrise with your own eyes
It brought me back to life
You'll be with me the next time I go outside
No more 3x5's

(solos)

Lift

Today I finally overcame
Tryin to fit the world inside a picture frame
Maybe I will tell you all about it when I'm in the mood to
Lose my way but let me say

Chorus

You should have seen that sunrise with your own eyes

It brought me back to life
You'll be with me the next time I go outside
Just no more 3x5's

No more 3x5's
