Letter From Prison

written by Geoff Bartley

::: Verse 1 :::

Last night I had the dream again and I held you in my
arms

I'd not yet been sent to this island for life and our
daughters not yet born

O I was still young, my plan still clear, and the road
ahead was mine

But today I count these twenty-seven years in one
unbroken line

::: Chorus :::

So tell all the young lions hold on for one more day!

Tell all the young lions hold on for one more day!

::: Verse 2 :::

I still can hear an inner voice so loud within this jail

There's always one more crossroads and always one
more nail

And every show of mercy, every curve in love's design
Leads from darkness into day in one unbroken line

::: Chorus :::

So tell all the young lions hold on for one more day!

Tell all the young lions hold on for one more day!
