Oh, it's so funny to be seeing you after so long, girl  
By the way you look I understand that you are not  
impressed  
I heard you let that little friend of mine  
Take off your party dress

I'm not gonna get too sentimental  
Like those other sticky valentines  
I don't know if you are loving some body  
I only know it isn't mine

Alison  
I know this world is killing you  
Oh, Alison  
My aim is true

Well, I see you've got a husband now  
Did you leave your pretty fingers lying in the wedding  
cake?  
You used to hold him right in your hand  
'Til he took all he could take

Sometimes I wish that I could stop you from talking  
When I hear the silly things that you say  
And I think somebody better put out the big light  
'Cause I can't stand to see you this way

Alison  
I know this world is killing you  
Oh, Alison  
My aim is true  
My aim is true  
My aim is true  
My aim is true
