Little Jewish princess, never recognized.  
Replaced the Star of David for the ones in your eyes.  
So you popped a vicodine and ran away from  
everyone,  
and everything you thought you knew.

Hangin' by the pool with the leisure dudes,  
who never have a job, but they got the attitudes,  
the clothes, and the shoes, and a disease or two,  
and every head turns on cue.

When she flies like a ballerina babe,  
strung up so high. Everybody have you seen her?  
The side no one knows, she shows on video.  
She's a San Fernando sex star and she's fine.  
Telephone screaming on the bathroom floor,  
Momma tryin' to call ya since July 4.  
Erase the message along with the life  
of everything ya knew before.

Life is pretty good with your wood grain walls,  
lime green carpet, and your meth lab stall.  
Mattress full of money and five locks on the door,  
  
as she falls to the floor.

From tryin' to fly, like a ballerina babe  
strung up so high, everybody have you seen her?  
The side no one knows, she screams on video.  
She's a San Fernando sex star and she's fine.

East coast transplant now in California  
Can ya feel the side effects of finally leaving Georgia?  
Nothing you can do about it, Daddy tried to warn ya.  
Allowance cut off, blue jean cutoffs,  
Feelin' like a cut out paper whore.

When she flies like a ballerina babe,  
strung out so high, everybody have you seen her?  
the side no one knows, she screams on video  
She's San Fernando sex star.

Where are you?  
Now, Where are you?  
Now, Where are you?  
San Fernando sex star?

Now, Where are you?  
San Fernando sex star?
