I was dancin' down the street
your sweet blue eyes
every new boy that you meet
doesn't know the real surprise
here she comes again
dancin' 'neath the starry sky
she'll make ya flip
here she comes again
dancin' 'neath the starry skies

i kinda like the way she dips
she's my best friends girl
she's my best friends girl
she used to be mine

summer
turn me upside down
summer summer summer summer
like a merry go round
i see you on memory lane
all shackles and bones
in your high shoes with your cleats a clickin'
their temperamental glow

and ooh, it's magic when i'm with you
and ooh, it's magic you know it's true
'cause she's my best friend's girl
she's my best friends girl
she's my best friends girl
she used to be mine oh mine
she used to be mine yeah yeah
she used to be mine

summer...
turns me upside down
