Do you remember when we met
Liquor drinks and cigarettes
All the boys were takin bets

My credit card so in debt
Bought drinks from you at the bar
Poured them out behind my car
So I could come back to where you are
And order one from you again
And Again
I'll be your open tab
You'll be my favorite

CHORUS:
You're such a Pretty Melody
I'm just another tattooed tragedy
Oh baby we don't have to be
Like the rest of them

What time can we get out of here
I got some words you need to hear
I really wanna make it clear
That I don't do this everywhere
How do I make this not sound cheap
I'd like to show you where I sleep

And keep you there a couple weeks
And make you come again
And again
I'll be your waste of time
You'll be my happy end

CHORUS:
You're such a Pretty Melody
I'm just another tattooed tragedy
Oh baby we don't have to be
Like the rest of them
It's anything but hard to see
I want all of you all over me
There's not a single part of me
That would ever let you...

You're such a Pretty Melody
I'm just another tattooed tragedy
Oh baby we don't have to be
Like the rest of them
It's anything but hard to see
I want all of you all over me
There's not a single part of me
That would ever let you go
