She Likes Hair Bands
On satellite radio
But I was in one
So it's a little too close to home
She can dance like
She's done it for a living before
And I kinda dance like
I've been shot in the leg for sure

She's got all that she's got
But She don't got me

So Baby, lay down
Nobody is around
Watching as our bodies
Slowly sinking to the ground
Throw away your phone
and your inhibitions too
There's a hundred dirty things
That I want to say to you
Never let me come
And never let me go
I've got you where I want you
So I want to say it slow
This is good night as any to say
That you want me too
Woo-Hoo

She like Mary Jane
But she says she doesn't like the smell
And She's got a baby
And by the way she walks I can't tell
She's got a birthmark
On the inside of her thigh
Ask me how I know (Ha)
About the inside of her thigh

She knows the Japanese alphabet

But She don't know me
Yeah

So Baby, lay down
Nobody is around
Watching as our bodies
Slowly sinking to the ground
Throw away your phone
and your inhibitions too
There's a hundred dirty things
That I want to do to you
Never let me come
And never let me go
I've got you where I want you
So I want to say it slow
This is good night as any to say
That you want me too
Woo-Hoo

She got all that she wants
But she don't want me

So Baby, lay down
Nobody is around
Watching as our bodies
Slowly sinking to the ground
Throw away your phone
and your inhibitions too
There's a hundred dirty things
that I want to do to you
Never let me come
And never let me go
I've got you where I want you
So I want to say it slow
This is good night as any to say
That you want me too
Woo-Hoo
