Everybody's writing songs with synthesizers  
But I don't have a synthesizer  
I can still get down like  
Duran Duran in 1985

I didn't name my band after an animal  
I don't have any feathers or neon clothes  
But I can stay out all night  
Like Sacagawea in a paint fight  
(Hey!)

For once, once in your life  
Won't you do what feels right  
Instead of waiting for the next big compromise?  
Stop (stop) running your mouth  
Get out of the house  
Get yourself downtown and shake it all out tonight

I don't have friends at Pitchfork or Enemy  
No sexy heroin addiction plaguing me  
But I can still get down like  
Frank Poncherello on a motor bike (that's right)

Once, once in your life  
Won't you do what feels right  
Instead of waiting for the next big compromise?  
Stop (stop) running your mouth  
Get out of the house  
Get yourself downtown and shake it all out tonight

For once, once in your life won't you do what feels right  
Instead of waiting for the next big thing to strike?  
Stop (stop) running your mouth  
Get out of the house  
Get yourself downtown and shake it all out tonight

Hit me once and it wasn't enough  
Baby I want the stronger stuff  
Hit me once and it wasn't enough  
Baby I want the stronger stuff  
Hit me once and it wasn't enough

Baby I want the stronger stuff  
Hit me once and it wasn't enough  
Baby I want the stronger stuff
