It was a helluva party last night
I can't believe I helped you break up a fight
Trust fund kids should stay away from clubs
I remember my first beer too

I coulda used a little more to do
The conversations got snorted and can't find my shoes
So let's go to the coffee shop dressed as we are
And make people think it's what we do

All day, we sing la la la
All night we go lah lah lah
All morning we just yawn a lot
Yeah, it makes you look better
When you look like
You got nothin' better to do, oh

Oh God, your hair is a fucking mess
So hurry, put on your ski cap and maybe a vest
Just try kinda hard to make it
Not look like you tried at all, I'll go back and get that

I know a place with a line outside
Where we can maybe get a table sitting side by side
And we can listen to the conversations
Like two flies on a wall that's all

All day, we sing la la la
All night we go lah lah lah
All morning we just yawn a lot
Yeah, it makes you look better
When you look like you got nothin' better to do
Do do do, do do do

And all day, we sing la la la
And all night we go lah lah lah
All morning we just yawn a lot
Yeah, it makes you look better
When you look like you've got nothin' better to say

Oh, la la la, all night we go lah lah lah
All morning we just yawn a lot

Yeah, it makes you look better
When you look like you got nothin' better to do
