Lunacy
Sign of death
In your thoughts and dirty eyes
Losing mind
Bloody arms
Your fucking tired veins are incised
Deadly pain
Atrophy
Soon you will suffocate
Cracked brain
Feel like dead
Your reason in mutilation

Alien I ives inside your fuckin' mind
Controlling your life and all what you do
This commander hates all mankino
And now this bastard ordering to you

Tear your flash
Take in hand
Your beating heart from your chest
Drink all the blood
From the veins
And you will feel loathsome taste
Take a knife
Let loose hate
And rip out your burning eyes

Odliteration
Fucking damnation
You commit this suicide sacrifice

There's the beast inside your morbid brain
Commanding to destroy yourself
You feel this fuckin' terrible pain
But you can't break invisible cell

Hey! You fuckin' fool!
Look at your stupid face
Now you passed this rules
You're jackass in that case

Searching problems for this stupid head
This dum dum wants a lot to be dead
He does not have all this bottoms
I don't give a damn for these bastards

I don't give a damn for suckers
With their problems and their life
God damn these fuckin' motherfuckers
They may cut their neck with knife
