She likes to feed the monkey  
She likes to feed the monkey  
She likes to feed the monkey  
She likes the monkey  
Well gather 'round and let me tell you all a story  
About a boy and his monkey  
He's got that kind of monkey that the girls wanna know  
He likes to take his monkey every place that he goes  
(Can we pet your monkey?)  
Hey, ho, you see the monkey?  
Did you know you made my monkey hungry?  
I didn't really know how it get so hungry  
I'd like to know  
Would you feed the monkey?  
Well you can pet my monkey  
'Cause my monkey don't bite  
But when you pet my monkey  
He get funky all night  
My monkey ain't no ordinary orangutang  
'Cause my monkey likes to do the wild thing  
My monkey don't scratch  
My monkey don't bite  
My monkey don't swing no tree  
My monkey don't hit  
My monkey don't drool  
My monkey be swing with me  
My monkey don't freak  
My monkey don't trip  
My monkey don't wear no cape  
But you can tell what my monkey wanna eat  
'Cause it turn into a big ol' ape  
Yeah...  
Hey..  
The monkey's getting hungry  
Hey, hey, why don't you feed your monkey?  
(REPEAT x 3)  
What she want?  
She wants the monkey  
(REPEAT x 3)  
You know she want  
You know she want

You know she wants the monkey  
(REPEAT x 3)  
Hey, hey, she likes to feed the monkey  
Ooh, she's sayin' it's time to feed the monkey  
Everyday she wants to feed the monkey  
All through the day she likes to feed the monkey  
She likes to feed the monkey  
(REPEAT x 7)  
Feed the monkey  
(REPEAT x 19)  
She likes to feed the monkey!
