I slowly sip, No need to trip  
It makes me feel so good I want to let it rip  
Can't detect us, I wanna bust  
I wanna keep on drinkin' but it only makes it worse  
Tequila will free ya, but in the morning I wouldn't  
wanna be ya  
Heart ache, heart break  
I guzzle down more than my stomach should take  
Borracho all the tequila  
Borracho, guzzle the wine  
Borracho, oh ya capole  
Borracho, most all the time  
Another cup, I wanna buck  
I see a chick and I only wanna f@#k  
Drink after a drink, I slowly see  
She runs away from me says "dam your breath stinks!"  
Borracho, la baby bunny  
Borracho, must be the wine  
Borracho, that girl was ugly  
Borracho, but now she fine  
Borracho, hey  
Borracho, ho  
Borracho, most all the time  
Borracho!  
I'm feeling thick  
Minds made a trick  
But the only thinkin' I do is with my d@#K  
Sweet on the john  
This monkeys strong  
But deep inside I wish I never had begun  
Holly, stolly  
I just threw up it looks like nanas special molly  
Kissed you and then dissed you  
Now all I think about is how much that I miss you  
Borracho, romad tequila  
Borracho, on the wine  
Borracho, oh ya dapole  
Borracho, most all the time  
Borracho, hey  
Borracho, ho  
Borracho, I met a go

Borracho, hey  
Borracho, ho  
Borracho, it all I know  
Borracho!  
Borracho, hey  
Borracho, ho  
Borracho, Im gud to go  
Borracho, hey  
Borracho, ho  
Borracho, it's all I know  
Borracho!
