Spric it down, spric it down (?)
I'm about to go spric low ball on y'all
Spric it down, spric it down

Spric, in the morning
Spric, in the night
Spric, make you do it
Spric, do it right
Spric, can ya feel it
Spric, feels alright
Spric, in the pocket
Spric it down, spric it down

I want to spric with you my lady
Uh huh, that's right
I want to spric with you my baby
Spric it down, spric it down

Spric! Spric! C'mon! Spric! Everybody! Spric!
I'll spric! Spric! You can spric! Spric! I don't want to!
Spric! But don't spric on my part!
Spric it down, spric it down

Spric, in the morning
Spric, in the night
Spric, make you do it
Spric, do it right
Spric, can you feel it
Spric, feels alright
Spric, in the pocket
Spric it down, spric it down

I want to spric with you my lady
Ha! That's the way, ha!
I want to spric with you my baby
Spric it down, spric it down

Uh huh, so what's all about this spric-ing? I dunno.
I'm all about it. Thatr's right. Oh yeah? Now hit it to me!
Spric it down, spric it down

Spric, spric a licka

Spric, spric-y lite
Spric, spric it like a doggy does
Spric, spric it right
Spric, I spric-y spric it
Spric, I spric y'all
Spric, watch me spric it
Spric-y all, spric-y all (?)
Spric!
