In armor we fight  
Swords in hand  
Ready to kill  
No lives will be spared

The stench of betrayal  
Our oath to the dead  
Our honor to strong to break  
Tonight they will pay

In armor we wait  
Ready to fight  
By blade they will fall  
They will die by night

In armor they wait  
Ready to die  
I thirst for their blood  
Vengeance is mine

Driving my blade through hearts of the weak  
Knowing that's what I am  
Ready to fight  
Ready to kill  
Knowing that's what I am  
And the blood tastes sweet  
Driving my blade through the hearts of the weak

The stench of betrayal  
Our oath to the dead  
Our honor to strong to break  
Tonight they will pay

With no fear of heaven hell or who might die  
We are dressed to kill for battle in the armor of the  
night

The stench of betrayal  
Our oath to the dead  
Our honor to strong to break  
Tonight they will pay

No lives to be spared
