Remember the times  
When you and I were brothers  
And now we're forced  
To fight each other for love

Lightning slashes the sky  
When we start our battle  
Please send me a sign my love  
If you can hear my prayers

[Bridge:]  
In the storm we'll turn to stone  
For love we'll carry on

"the dragon in powerful  
But will be stranded  
When wind and the clouds  
Become a storm"

[Chorus:]  
We're the stormriders  
Fighters of the lightning  
We're condemned to be alone  
Forever  
We're the stormbringers  
Lonely swords of lightning  
We will never fight alone

[Solo: Joshua / Herman]

The dragon attacks  
His breath made of fire  
His power comes through  
The core of darkness and fear

Reply from the wind  
His power is love  
His strength is honour  
And loyalty

[Bridge / Chorus]
