Go from A to the B
Cross an ocean, cross a sea
Coz I think I like you
I think I do, you can't deny
I deserve it if you try
Coz I think I like you

When you see me, when you look at me
You find pleasure, you can't hide it
No, you can't hide it, uh-hum

But I know, that it's all, Up to me
Coz you can't understand
That a girl, such as me
Says: please sweep me off my feet!

Go from A to the B
Cross an ocean, cross a sea
Coz I think I like you
I think I do, you can't deny
I deserve it if you try
Coz I think I like you
I think I do

Work for me, Work for me
Don't you give up, ah-ha
A to the B
I don't want much, ah-ha
Work for me, Work for me
Don't you give up, ah-ha
A to the B, from A to the B, ah-ha

All my life, yeah, every boy I liked
I'd persuade him, and he'd loved it
Yeah he'd loved me for it

But now, I'm fed up
It is time, for a change
Why don't you try arrange somethin' nice
All it takes is one little thrill!

Go from A to the B

Cross an ocean, cross a sea
Coz I think I like you
I think I do, you can't deny
I deserve it if you try
'Coz I think I like you

I think I do

Work for me, Work for me
Don't you give up, ah-ha
A to the B
I don't want much, ah-ha
Work for me, Work for me
Don't you give up, ah-ha
A to the B, from A to the B, ah-ha

[spoken]

You see, it seems to me that all us strong, independent
women make men lazy.
All of a sudden they think they don't have to court us
properly.
But boys let me tell you something: there's nothing like
a man who knows how to treat a lady.

Baby every day, I hope and pray
That you will be mine the old-fashioned way.
'n' you ought to know;
I just need a gentleman to pamper me right.

Go from A to the B
Cross an ocean, cross a sea
Coz I think I like you
I think I do, you can't deny
I deserve it if you try
'Coz I think I like you

Go from A to the B
Cross an ocean, cross a sea
Coz I think I like you
I think I do, you can't deny
I deserve it if you try
'Coz I think I like you
I think I do

Work for me, Work for me
Don't you give up, ah-ha
A to the B
I don't want much, ah-ha
Work for me, Work for me
Don't you give up, ah-ha
A to the B, from A to the B, ah-ha
