(CHORUS)

Ooh ooh girl be careful with the boys  
Yeah be careful with the boys  
Cos they're more than just your toys  
Ooh ooh girl be careful with the boys  
Didn't mama teach ya that  
They'll be coming back yeah

(Ooh) You're a girl who can turn the head on every guy  
You go by (cos you're fly)  
You ever wondered why, everything in your life  
Happens as you like, it's cos you know how to smile  
Make it worth your while

(And ya better listen up now)

REPEAT CHORUS

Guys may be nice when you let  
Them feast their hungry eyes  
On your cute little thighs (little thighs)  
But honey watch your back  
Don't ya know what they say (say)  
If ya turn them away, it won't be pretty  
If a mate shouldn't fail to say (fail to say)

(So ya better listen up now)

REPEAT CHORUS

(BRIDGE)

For every heart that you break  
You pay some price  
No matter how hard you try  
They'll bring you down

Cool, you're just so cool  
And tonight you, won't be alone (cool)  
Cool (cool), you're just so cool (yeah you're just so cool)  
And I'm sure you're aware  
Cos you feel my stare

REPEAT CHORUS

REPEAT BRIDGE

Ooh ooh girl, ooh ooh girl, you pay some price

Ooh ooh girl, ooh ooh girl, they'll bring you down
