I'm a cheap trick kinda girl I'll fool you any day,  
I'm a cheap trick kinda girl ain't no other way,  
I can keep up, play the game, Ain't no need to stop,  
I'm a cheap trick kinda girl, might just well give up.  
I'm a cheap trick kinda girl I'll fool you any day,  
I'm a cheap trick kinda girl ain't no other way,  
I can keep up, play the game, Ain't no need to stop,  
I'm a cheap trick kinda girl, might just well give up.

She knows, he's never gonna loose,  
And she knows she's never gonna win,  
Everybody's playing, knowing it's a sin,  
She's a cheap trick kinda girl,  
And oh' yeah, you'll bet your ass,  
She knows it's a sin.

I'm a cheap trick kinda girl I'll fool you any day,  
I'm a cheap trick kinda girl ain't no other way,  
I can keep up, play the game, Ain't no need to stop,  
I'm a cheap trick kinda girl, might just well give up.

Never gonna loose, and never gonna win,  
Everybody's playing, (knowing it's a sin)  
Never gonna loose, and never gonna win,  
Everybody's playing, knowing it's a sin.

Never gonna loose, and never gonna win,  
Everybody's playing, (knowing it's a sin)  
Never gonna loose, and never gonna win,  
Everybody's playing, knowing it's a sin.

I'm a cheap, trick, kinda girl.

I'm a cheap trick kinda girl I'll fool you any day,  
I'm a cheap trick kinda girl ain't no other way,  
I can keep up, play the game, Ain't no need to stop,  
I'm a cheap trick kinda girl, might just well give up.

Never gonna loose, and never gonna win,  
Everybody's playing, (knowing it's a sin)  
Never gonna loose, and never gonna win,  
Everybody's playing, knowing it's a sin.

I'm a cheap, trick, kinda girl.
