Blind, when the night is running out
You're in my face, standing proud
I must forget my sadness
I pray that you see but you never say
And that you touch all the fears away
Please! Give me a ride, I need to fly!

Setting my body free
Club Erotic
I thought I'd never see
Club erotic
Release me tonight
And push me into the light
Setting my body free
Club Erotic
You're coming close to me
Club erotic
Release me tonight
And push me into the light
Erasing my cares tonight
You push me into the light

Soft, sweet and soft and gone again
I feel lost - I'm cold within
Do you see the madness?
Eyes, eyes that say: "put your shame away
Come to me and it will begin
I will give you a ride, you need to fly"

Setting my body free
Club Erotic
I thought I'd never see
Club erotic
Release me tonight
And push me into the light
Setting my body free
Club erotic
You're coming close to me
Club erotic
Release me tonight
And push me into the light
Erasing my cares tonight

You push me into the light
