Love Is All...

(P.Lagermann / L.Rafn / A. Powers)

Love is all you ever want  
Don't you know?  
And you cannot let go  
Until you get the love you need  
Don't you see?  
Keep on looking  
It will find a way to you

Every little fight you go through  
Is a way of asking:  
"Will you be the one redeeming my all?  
Or am I determined to fall again?"  
You always hope for someone to understand  
Whatever's going on and reach out to you  
But they will always misunderstand

Love is all you ever want  
Don't you know?  
And you cannot let go  
Until you get the love you need  
Don't you see?  
Keep on looking  
It will find a way to you

Keep on looking  
Love will find a way

When you wanna argue beware  
All you really long for is care  
If you only knew how to ask  
You would gladly say that you need compassion  
More than you could ever know you'd be feeling  
How unnecessary it is to scream  
Because it isn't what you mean

Love is all you ever want  
Don't you know?  
And you cannot let go  
Until you get the love you need

Don't you see?  
Keep on looking  
It will find a way to you

Keep on looking  
Love will find a way

So don't leave me hanging  
Don't you let me scare you off  
All I'm seeking  
Is for you to look behind  
All the rage  
And tell me what I already know

Love is all you ever want  
Don't you know?  
And you cannot let go  
Until you get the love you need  
Don't you see?  
Keep on looking  
It will find a way to you

Love will find a way to you  
Keep on looking  
Love will find a way
