From London to berlin,  
And every game that england win,  
Were guna win the world cup,  
Win the world cup,

Cos when were thinking of ru,  
And all the things he can do,  
Were guna win the world cup,  
You've got us cheering for you,

From London to berlin,  
And every game that england win,  
Were guna win the world cup,  
Win the world cup,

Cos when were thinking of ru,  
And all the things he can do,  
Were guna win the world cup,

Football is a game and England is it's name,  
Were hoping that we win it cause were going insane,  
It's now a long time ago,  
Hursty scored them three goals,  
Hungry for the trophy and you no that we love you,

From London to berlin,  
And every game that england win,  
Were guna win the world cup,  
Win the world cup,

Cos when were thinking of ru,  
And all the things he can do,  
Were guna win the world cup,  
You've got us cheering for you,  
You've got us cheering for you,

Winning is the thing and now were scoring every goal,  
But suporting you is something that weve all gota do,  
Were always thinking of you,  
Oh and Gerard and ru,  
Reo, vex and lampard oh and john terry too,

From London to berlin,  
And every game that england win,  
Were guna win the world cup,  
Win the world cup,

Cos when were thinking of ru,  
And all the things he can do,  
Were guna win the world cup,  
You've got us cheering for you,  
You've got us cheering for you
