You always check yourself  
In every mirror you see, day and night  
And it is such a shame  
Your vanity is to blame  
Oh why don't you knock it off

It is the pointlessness  
That's got me loving less  
I cannot not handle that you're such a wannabe  
You're caught up in yourself  
And me, you don't even see

I won't be crying when I'm lonely  
'Cause I'll be making sure I'll have a good time  
aint nothing wrong when I'm alone now  
'Cause I'm alone and I'm proud  
I won't be crying when I'm lonely

I'm sure you don't believe  
That anybody can tell you're a fool  
I'll bet that you believe  
They only think that you're cool  
And a handsome devil too

But baby trust me now

You'd better turn around  
'Cause otherwise you're gonna fall and hit the ground  
'Cause all this spirit boy  
Won't last eternally

I won't be crying when I'm lonely  
'Cause I'll be making sure I'll have a good time  
aint nothing wrong when I'm alone now  
'Cause I'm alone and I'm proud  
I won't be crying when I'm lonely

I won't be crying when I'm lonely  
'Cause I'll be making sure I'll have a good time  
aint nothing wrong when I'm alone now  
'Cause I'm alone and I'm proud

I won't be crying when I'm lonely  
'Cause I'll be making sure I'll have a good time  
aint nothing wrong when I'm alone now  
'Cause I'm alone and I'm proud  
I won't be crying when I'm lonely
