Plastic Fantastic
Do something drastic

If you love yourself
It is not much help
If you don't look gorgeous, tragically

Go pursue
Every sexy vision of you
It's your right to pave your way
And release the potential inside - that you hide

'Cause you've got beauty in you
You know if it was out today...
Find it, continue
There you go, there you go

When you open up yourself to me
You show what you can really be
It's all within you
Don't you know, no no no

Plastic Fantastic
Go where you get what you want when you want it
Do something drastic
'Cause you deserve to be desired

Faceless
Fakeness
Ruthless
Crudeness

If you love yourself
It is not much help
If you don't look gorgeous, tragically

It is cruel
That we all know we could look cool
Without evolution of soul
It is only a matter of gold - what you hold

But I doubt the satisfaction

When you only fix a fraction
You just continue
There you go, there you go

Your looks may be anatomy
But beauty it is more to me
It's all within you
Don't you know, no no no

Plastic Fantastic
Go where you get what you want when you want it
Do something drastic
'Cause you deserve to be desired

Faceless
Fakeness
Ruthless
Crudeness

If you love yourself
It is not much help
If you don't look gorgeous, tragically

If you don't look gorgeous, tragically...

Plastic Fantastic
Plastic Fantastic
Do something drastic
Plastic Fantastic

Plastic Fantastic
Go where you get what you want when you want it
Do something drastic
'Cause you deserve to be desired

Faceless
Fakeness
Ruthless
Crudeness

If you love yourself
It is not much help
If you don't look gorgeous, tragically
