Lately, you don't even talk to me  
You don't need me, like you used to do  
Lonely, never - ever, was for me  
I won't always hold my head up high

Oh, oh, I don't know why  
Oh, oh, why don't you mind  
Oh, oh, I don't know why  
Oh, oh, you must be blind

Ten miles from you  
And all I can do  
Is wonder how we'll pull through  
Ten miles from you  
It shouldn't be true  
I don't know how we'll pull through

I was, never, one to be deceived  
But with you I, oh, I lose my mind

Oh, oh, I don't know why  
Oh, oh, I lost my pride  
Oh, oh, I don't know why  
Oh, oh, you blow my mind

Ten miles from you  
And all I can do  
Is wonder how we'll pull through  
Ten miles from you  
It shouldn't be true  
I don't know how we'll pull through

Ten miles from you  
And all I can do  
Is wonder how we'll pull through  
Ten miles from you  
It shouldn't be true  
I don't know how we'll pull through

Ten miles from you  
And all I can do  
Is wonder how we'll pull it through

Ten miles from you  
It shouldn't be true  
I don't know how we'll pull it through
