Plastic fantastic
na, na, na, na, na, na,
Do something drastic
na, na, na, na, na, na
na, na, na, na, na, na
If you love yourself
It is not much help
If you don't look gorgeous, tragically

Go pursue
Every sexy vision of you
It's your right to pave your way
And release the potential inside - that you hide
'Cause you've got beauty in you
You know if it was out today:
Find it, continue
There you go, there you go
When you open up yourself to me
You show what you can really be
It's all within you
Don't you know, no no no

Plastic fantastic
Go where you get what you want when you want it
Do something drastic
'Cause you deserve to be desired
Faceless, fakeness, ruthless, crudeness
If you love yourself
It is not much help
If you don't look gorgeously, tragically

It is cruel
That we all know we could look cool
Without evolution of soul
It is only a matter of gold - what you hold
But I doubt the satisfaction
When you only fix a fraction
You just continue
There you go, there you go
Your looks may be anatomy
But beauty it is more to me
It's all within you

Don't you know, no no no

Plastic fantastic

Go where you get what you want when you want it

Do something drastic

'Cause you deserve to be desired

Faceless, fakeness, ruthless, crudeness

If you love yourself

It is not much help

If you don't look gorgeous, tragically

If you don't look gorgeous, tragically

Don't look gorgeous

Don't look gorgeous

Don't look tragically

Plastic fantastic

Plastic fantastic, woah, woah

Do something drastic

Plastic fantastic

Plastic fantastic

Go where you get what you want when you want it

Do something drastic

'Cause you deserve to be desired

Faceless, fakeness, ruthless, rudeness

If you love yourself

It is not much help

If you don't look gorgeous, tragically
