[Music:Hallman & Terror]

[Lyrics:Terror]

We the rulers of the earth have come forth,the
mightiest of powers known to
Man
Eminating strenght inflicting mass suicide,stifling with
the caress of my
Hand
Judgement day has come,the trial has begun,this time
you will pay for your
Sins
Sparing none with the verdict comes,a lifetime of pain
There's no escaping my grasp

[LEAD-Terror]

Years upon years of destruction,mindless annihilation
Careless devastation,putrid vile animation

[LEAD-Terror]

Ravenous minds driven by greed,sordid desires
obliterated the earth
Terrestrial sphere on the brink of extinction

Inbred need to destroy,never thinking ahead
Mindless advances,deathly consequences,struggling
on to the end
Misguided asinine headless horsemen,imprudent
irrational senseless thieves
Raging slaying exterminating,subversives with no right
to be

[LEAD-Terror]

Thunderous chaos begins,earth received it's final blow
Life on the brink of extinction,all fear of the
incompetence of man
Opening wide another gaping wound,it's life force
flows from within
Mutilate devastate exportation,to follow mankind into

hell

[LEAD-Terror]

We know the end is near,If we had only seen the signs
It is too late to save ourselves

Will the defendant please rise and await your sentence
This court finds you guilty,condemned to a life in hell
Hell on earth
