

Infernal Malice

"From Mortal Body To Eternal Soul"

Born from your brain, sucking blood from your veins
I'm your own God
Hollow inside, filled with your thoughts
I'm your own God

I was the not being, you gave me form
Your own form, your own soul
I'm your own God

You wrote laws, ancient rules of stone
Your own laws, your own rules
I'm your own God

All the gates are locked by the keys
You gave me through the centuries
All my emptiness has been filled with your faith

In my name you killed, in the name of lord
In the name of the human race
In my name you crucified

Your mortality is my eternity
I'm your own god
