Under the moonshine You don't feel sick

You watch the others in dark decay

You killed your own shade You feel alive

You have no desires

(No my dear)

Spit

Spit out the dirtiest ancient sin

You broke your chains

You feel alive

You have no desires

(No my dear,

I'm right here,

Feed my breath

I always lay beneath)

Your temptation is my delight

You can feel it crawling inside

You got your soul

I got your flesh

I got your life

Keep on struggling

But never show your sufferings

You pray for soul

But You live for flesh

Your flesh

My flesh

I'm here

The inner one who never dies

I rule rejected in your eyes

The most forbidden among desires

(I always lay beneath...)

You are sick inside

Confess

You can't resist and you can't rest

You are like the others in dark decay

You are your own shade

This is desire

And you are alive

(Yes my dear

I'm right here

Feed my breath
I always lay beneath)
Your temptation
Is my delight
You feel it crawling inside
You got your soul
I got your flesh
I got your life
Keep on struggling
But deny to show your sufferings
You pray for you soul
But You live for flesh
Your flesh
My flesh
I'm here
The inner one who never dies
I rule reflected in your eyes
The most forbidden among desires
Believe
In my unspoken words
Drawn
In your forbidden thoughts
(Sorry friend I'm always here
Behold your shadow it's so real)
