Pathological acts at 37 degrees
Hidden by 7 wax masks of vain purity
Pulsating sextreme
Feel crawling skin

I can't forget it
I can't forget it
I can't forget it
I can't forget
I can't forget the barfing smell of nothingness in your
eyes!

Complex psycho-illogical demise
Bulimic subnegation of mind

I can't forget it
I can't forget it
I can't forget it
I can't forget
I can't forget the barfing smell of nothingness in your
eyes!
We are the generation of degeneration since
generation

I can't forget it
I can't forget it
I can't forget it
I can't forget
I can't forget the barfing smell of nothingness in your
eyes!
We are the generation of degeneration since
generation

Coochoo... can I?
Let you introduce yourself
"I am the vermin of subconscious tree
Feeding (with) the apple supposed to be your brain
Picking your senses
Rising your libido
Juicy temptation
Your daily dirty fixed thought"

Wanna fuck!
Wanna suck!

I've seen an angel raped and abused
Soiled by my sweat
And the pleasure was mine...
Liquid lust eyes are lost...
Perversion...
Throwing waste on my cock!

I can't forget it
I can't forget it
I can't forget it
