Pathological acts at 37 degrees  
Hidden by 7 wax masks of vain purity  
Pulsating sextreme  
Feel crawling skin

I can't forget it  
I can't forget it  
I can't forget it  
I can't forget  
I can't forget the barfing smell of nothingness in your  
eyes!

Complex psycho-illogical demise  
Bulimic subnegation of mind

I can't forget it  
I can't forget it  
I can't forget it  
I can't forget  
I can't forget the barfing smell of nothingness in your  
eyes!  
We are the generation of degeneration since  
generation

I can't forget it  
I can't forget it  
I can't forget it  
I can't forget  
I can't forget the barfing smell of nothingness in your  
eyes!  
We are the generation of degeneration since  
generation

Cockoo... can I?  
Let you introduce yourself  
"I am the vermin of subconscious tree  
Feeding (with) the apple supposed to be your brain  
Picking your senses  
Rising your libido  
Juicy temptation  
Your daily dirty fixed thought"

Wanna fuck!  
Wanna suck!

I've seen an angel raped and abused  
Soiled by my sweat  
And the pleasure was mine...  
Liquid lust eyes are lost...  
Perversion...  
Throwing waste on my cock!

I can't forget it  
I can't forget it  
I can't forget it
