Take a good look  
deeply into my eyes  
You'll see the will to live  
fades and slowly dies out  
There is no harmony  
within myself  
This world is overcrowded  
yet no one has heard my cry for help

Razor Twist

If you've got nothing to give  
this rotten world is simply  
no place for a man to live  
The chaos in ourselves will rise  
If you are smart enough  
you'll listen to some good advise

Yeah, stand up straight or lie down dead  
Just hold a gun against your head  
It's your life, no one gives a fuck  
Suck that shotgun like a cock

You're dead

Razor Twist  
Razor Twist

Cutting wrist  
The razor twist  
Twist the blade  
Unleash the hate

When you've got nothing to lose  
The razor twist is the one and only way to choose  
The chaos in ourselves will rise  
If you are smart enough  
you'll listen to some good advise

Yeah, stand up straight or lie down dead  
Just hold a gun against your head  
It's your life, no one gives a fuck

Suck that shotgun like a cock  
You're dead
