Your savior I am not, I'm here to cut your throat  
There is no place to hide, you are all destined to die  
Where is your god now? your torment has just began  
Behold your kingdom's fall, inhumanity enthroned

Your savior I am not, I'm here to cut your throat  
There is no place to hide, you are all destined to die  
Blood's flowing down the blade of genocidal hatred  
Behold the vast mass graves, I'm here to take revenge

Inhumanity rules the earth  
Purification's time has come  
That is the true face of apocalypse  
Dead head's empire is rising

Dead head's emire!

Creation through destruction  
Order through diabolical chaos  
The ancient laws returning  
Dead head's empire is rising

Welcome to the new age of tyranny  
Welcome to the nwe age of mass murder

We are the antichrist reborn  
The re-conquer the great throne of splendor  
Infernal terror camp, we're so fucking proud to be  
And victory shall be ours
