Right now  
Ya got what I need  
Ya knock me off my feet you...  
Turn me upside down  
Right now

(uh, uh)  
Right now  
Sylver :  
You know baby  
The way you touch my body  
The way you squeeze me tight  
Makes it alright  
Touch me  
Right now

Sylver :  
Baby ya must agree  
Love changes easily  
But through it all we have both believed  
Remember all those nights  
Longin' to hold ya tight  
Now you're here and I know the feelin's right

Katia & Lee : Your love is so fine  
Katia :  
I'm glad that you're mine  
Everyday I know what I found

Katia, Lee & Sylver :  
Right now  
Ya got what I need  
Ya knock me off my feet you...  
Turn me upside down  
Right now  
I'm so into you  
And everything you do (ooh ooh)  
That's what love's about  
Right now

(uh, uh)  
Sylver : (Ooh haha) Check it out now

Katia :  
When you're consumin' me  
It's pure Infini-T  
Baby we were just meant to be  
We've got it goin' on  
Together to make strong  
Here with you this is where my heart belongs

Sylver & Lee : Your love is so fine  
Katia :  
I'm glad that you're mine  
Everyday I know what I found

Katia, Lee & Sylver :  
Right now  
Ya got what I need (everything ya need)  
Ya knock me off my feet you...  
Turn me upside down (turn me upside down)  
Right now  
I'm so into you (I'm so into you)  
And everything you do (ooh ooh)  
That's what love's about  
Right now

Katia :  
You got the juice  
I need to be with you  
I love it when you make my body go hoo  
Come on here we go, here we go  
Come over to my crib and check my flow  
I'm like no other, a dedicater lover  
The kind of girl that takes you high  
So come on let's ride

Katia, Lee & Sylver :  
On our way to the stars  
Baby we'll go so far  
Right now

Oh give it to me baby (give it to me baby)  
Your love it drives me crazy  
And that's what really makes my heart believe (make  
my heart believe)  
Let's put this play in motion  
You got my sweet devotion  
I wanna squeeze ya hold ya (haha, haha, I wanna hold

Close to me... (...yeah...yeah...)

Right now
