Yiggy, yiggy, yaw - if you wanna play
Yiggy, yiggy, yay - when the dragon slay
Yiggy, yiggy, yaw - if you dare to stay
Yiggy, yiggy, yaw - yiggy, yiggy, yay!
Yiggy, yiggy, yaw if you wanna play
Yiggy, yiggy, yay when the dragon slay
Yiggy, yiggy, yaw if you dare to stay
Can you dig it?
Praise the Lord
If ya pick up the chase
Daytona 500 ya got no case
In the speed of a life move real fast
Trace my tracks ya better step on the gas
All around the world we all wanna go
Some take the road others go with the flow
U.F.O or mirrorball
Disco dancing Pussy Galore
In a black shirt and a red tie
In a leather jacket that looks real fly
We can plan a murder or start a religion
Being Infinite that's our decision
Organized chaos brings out of the noise
Hey ladies it's just me and mah boy!
So let the engine work like a thousand-man marathon
HU!
Enter the Dragon
Cmon!
(2x)
Yiggy, yiggy, yaw if you wanna play
Yiggy, yiggy, yay when the dragon slay
Yiggy, yiggy, yaw if you dare to stay
Yiggy, yiggy, yaw Yiggy, yiggy, yay!
(2x)
Enter the Dragon HU!
Front back side to side, hit low and then we kick high
Kick in the door BLAAU said it before

My frind
Caught up in da game
My life wont be the same again
Were here to take a stand and stay
My man

Wont jump on the bandwagon or the train
My friend
The Mass is not fashion or a trend
Were not the saint that go marching in
My friend
And by the way let me say
Va gr du, Len?
Whatch out when the dragon blow out flames
Yiggy, yiggy, yaw inhale
Yiggy, yiggy, yay exhale
Abracadabra time to bail
Make me disappear from this fairytale.
Better get it
Get it right
Tell you what
What it's like
When you want
Want to try reaching up
Up the sky
Hitting low
Low and high
Mash up
Mash up your life
Cut the crap
Wa wa-want the knife
(2x)
Yiggy, yiggy, yaw - if you wanna play
Yiggy, yiggy, yay - when the dragon slay
Yiggy, yiggy, yaw - if you dare to stay
Yiggy, yiggy, yaw - yiggy, yiggy, yay!
(2x)
