THE MASS THE MASS THE INFINITE MASS  
If you hear any noise, it's just me and mah boyz  
If you hear any noise, it's just me and mah boyz  
If you hear any noise, it's just me and mah boyz  
If you hear any noise, it's just me and mah boyz  
Funkin' it up  
Hey yeah... and me and my boyz  
Gettin' funky only  
Infinite Mass  
Runin' down the street  
Me and Mah Boyz  
Come on  
[-= Rod-i =-]  
Right from beach back into the hood  
Infinite mass got the bottle  
Closer than a groupie and I  
Look for BD BD BD dove high  
I'm sending you a bud  
Of the money to the chevy  
And from the old to the heavyweight school  
Fresh round fool  
{The Mass}  
The choice of the G-funk generation that is  
{whaaat}  
A group of domination so  
Fifth year I never neglect  
The boyz who branch here triple X  
The plot thickens  
A bunch of set of homiez  
[Takin' over - keepin' it right ah]  
[-= Bechir =-]  
Face to the ghetto  
Dirt of '76  
Even it does  
The pets and the mix  
In the summertime rolling in the park  
Bad women in the light and OG's in the dark  
{what's up}  
And I don't give a damn too  
I'm straight up phat because my homiez got my back  
Within the years I'm donin' in here  
Act'em fools who thought they could fade me

HUH

They try to couple the move to sweep mah ba-back

But I picture that

Coz every fool who style is tired

A dove to mah boyz coz they love me right

Chorus

If You Hear Any Noise, It's Just Me And Mah Boyz

If You Hear Any Noise, It's Just Me And Mah Boyz

If You Hear Any Noise, It's Just Me And Mah Boyz

If You Hear Any Noise, It's Just Me And Mah Boyz

[-= Chamdin =-]

Quick

Break 'em off with a freaky tail

About a clique who's deep as hell

Chamdin

Always been

True to the M-A-double S

The group you don't test

We come like G's we dress like G's

We cool like G's we get all the Ladies

While I nod my head to the gangsta groove

Real smooth

{yep}

We're now into groove

{so}

Honeyz step to me

I never step to 'em

Tell'em it's my homiez

We share all ins

See us in the joint

Get the point it's me and Mah Boyz

Playin' with dogs

[-= Polarbear =-]

Baby baby

It's the P O L A R

{what?}

Yeah the B to the E A R

{what?}

With effect and from the funk coast

Californi-a USA

{Hey}

Well I be chillin in my homiez Jacuzzi

Or playin' world wild funk like Bootsy

Straight from LA to swe-sh-ville

Across the ocean in my

Coup De Ville Cadillac

Back and forth like Aaliyah

I'm livin PHAT I'm livin' like a playa

But I won't switch you on my roots

[It's finally time, Polar - Put on your suit]

Chorus

If You Hear Any Noise, It's Just Me And Mah Boyz  
If You Hear Any Noise, It's Just Me And Mah Boyz  
If You Hear Any Noise, It's Just Me And Mah Boyz  
If You Hear Any Noise, It's Just Me And Mah Boyz
