When at night I go to sleep
14 angels watch do keep
Two my head are guarding
Two my feet are guiding
Two to whom 'tis given
To guide my steps
To heaven
To guide me
When at dawn my eyes do wake
14 angels my peace do take
Two there are who need me
Two there are who feed me
Two who sway before me show me
All I've known
Is wrong, that I am
Not me
Two there are to take my soul
Away from here
To guide my steps
