(she takes him in her arms,  
She kisses his face on the lips)

(one woman in the world,  
One woman in many faces)

(she takes him in her arms,  
She kisses his face on the lips)

Don't go for second best baby  
Put your love to the test  
You know, you know, you've got to  
Make her express how she feels  
And maybe then you'll know your love is real

You don't need diamond rings  
Or eighteen karat gold  
Fancy cars that go very fast  
You know they never last, no, no  
What you need is a big strong hand  
To lift you to your higher ground  
Make you feel like a king on a throne  
Make her love you till you can't come down

Don't go for second best baby  
Put your love to the test  
You know, you know, you've got to  
Make her express how she feels  
Then you'll know your love is real

(one woman in the world,  
One woman in many faces)

Long stem roses are the way to your heart  
But she needs to start with your head  
Satin sheets are very romantic  
What happens when you're not in bed  
You deserve the best in life  
So if the time isn't right then move on  
Second best is never enough  
You'll do much better baby on your own

Don't go for second best baby  
Put your love to the test  
You know, you know, you've got to  
Make her express how she feels  
Then you'll know your love is real

Express yourself  
You've got to make her  
Express herself  
Hey, hey, hey, hey  
So if you want it right now, make her show you how  
Express what she's got, oh baby ready or not

And when you're gone she might regret it  
And think about the love she once had  
Try to carry on, but she just won't get it  
She'll be back on her knees

To express herself  
You've got to make her  
Express herself  
Hey hey

(one woman in the world,  
One woman in many faces)

Don't go for second best baby  
Put your love to the test  
You know, you know, you've got to  
Make her express how she feels  
Then you'll know your love is real

To express herself  
You've got to make her  
Express herself  
Hey hey hey hey

So if you want it right now, make her show you how  
Express what she's got, oh baby ready or not

Express yourself  
Respect yourself  
Hey, hey  
So if you want it right now, make her show you how  
Express what she's got, oh baby ready or not

Express yourself

(one woman in the world,  
One woman in many faces)

(she takes him in her arms,  
She kisses his face on the lips)

(she takes him in her arms,  
She kisses his face on the lips)

(she takes him in her arms,  
One woman in the world,  
She kisses his face on the lips  
One woman in many faces)

(she takes him in her arms,  
One woman in the world,  
She kisses his face on the lips  
One woman in many faces)
