Kick me, shake me, save me
Switch the dial, climb inside
Grab my head and push on by

Over there, they're too big for us
We slip between unnoticed
Do you know how it feels to be loose again?

Time after time
You force me blind
To solve the crimes
I've lost within me
Filling up
The kid inside
But I'm worlds behind
The tracks of the careless kind

Brushed aside pleas and cries
And step into the searchlights
You're spread too thin to be noticed

Overlook the trials ahead
To tempt the field again
Feeding from the hands of the careless kind
Hardens what's left of me

Time after time
You force me blind
To solve the crimes
I've lost within me
Filling up
The kid inside
But I'm worlds behind
I'm worlds behind

Time after time
You force me blind
To solve the crimes
I've lost within me
Desperate lies
Have earned me time

But I'm worlds behind
The tracks of the careless kind
