All of this  
Is yours  
You can lose yourself here  
You're name burst inside my mouth  
I will never be the same

I will never be the same  
For your love it leaves a stain in me

I am stunned  
By your beauty  
I am quivering  
Now my life begun  
Speak to me  
With tongues of angels  
Return to me  
At night

I will never be the same  
For your love it leaves a stain in me  
I know you're been wild before now

Won't try to tame you  
The tangled hair of you  
Just lay me down now  
Lay me down now  
Lay me down

All of this  
Is yours  
You can lose yourself here  
I'm an elk and you're a deer  
We have our differences  
I am all yours love  
I am all yours love

Lay me down  
Lay me down here  
Let me hear  
The love change in your pocket  
Lay me down  
Lay me down

Lay me down here
