Unfold myself  
Eyes wide and liquid  
Awaken by falling  
While you sleep  
I pour myself into you  
Speak with angels  
They know you

Can hardly speak  
Can hardly make sense of  
All that has happened lately

As I fall in the dark  
Things so beautiful  
Only seen at night  
For only you I will fall  
Things so beautiful  
Only seen at night

This landscape of you  
The glow in you  
See at night  
All I am is in your hands now  
Take whatever you may find here

Find me out here

I'm wide awake  
Fear of falling too hard

Can hardly speak  
Can hardly make sense of  
All that has happened lately

As I fall in the dark  
Things so beautiful  
Only seen at night  
For only you I will fall  
Things so beautiful  
Only seen at night

As I fall in the dark

Things so beautiful  
Only glow at night  
For only you I will fall  
Things so beautiful  
Only glow at night

I fall into him  
I fall into him  
I fall into him
